ARAKI

Infuse an aura of Oriental authenticity to your table setting with the exquisite Araki collection. The distinctive array of plates, bowls and platters in earthy tones bring a touch of vintage flair with modern design. Each piece stands out due to the reactive glazing, creating an interplay of texture and form that trigger the senses of any culinary aficionado. Tiny dimples reflect the light, enhancing the allure of this sophisticated range, while the warm brown hues and rounded shapes evoke a joyful nod to the '70s retro vibe.

ASTERA

Immerse in the timeless elegance of traditional Japanese dinnerware, exquisitely embellished with delicate chrysanthemum motifs. These masterfully crafted pieces of the Astera collection feature petals that are not only visually striking, but also offer a textured feel. The petals gracefully spread out, creating soft grooves that seamlessly blend into the flat surface of the plate. The captivating color variations in this collection are the result of the glaze's reaction within the kiln, ensuring that your guests are treated to a visually stunning display. The Astera range offers an extensive selection of plates, dishes, and bowls, available in the serene shades Pure, Pearl and Ocean.

BASALT

Delight in the simple joys with the Basalt collection from Crafts, where each piece embodies a narrative of artistry. This range, meticulously fashioned by the hands of pottery artisan Charlotte Lannoy, speaks to the heart of craftsmanship. The passion and precision of creation are felt in every contour. Charlotte has developed a signature style that marries sleek, clean lines with a dance of glaze shades, all while preserving both the practicality and essence of the earthen material. Inspired by nature and characterized by organic forms, the Basalt series enriches any space with its pure shapes, textured surfaces and vivacious colors. Available in two harmonious hues, the series brings the bespoke charm of handcrafted ceramics to life.

CONCHA

Discover the timeless elegance of the Concha Grey collection, a tribute to the beauty of nature's own artistry. Inspired by the gentle curves and intricate patterns found in seashells, aptly reflected in its name 'Concha' the Spanish word for shell. This ceramic dinnerware exudes a unique charm. Each piece is characterized by its organic, irregular lines, evoking the natural textures of the sea. Concha Grey effortlessly blends rustic authenticity with modern sophistication, making it an ideal choice for both everyday dining and special occasions. Let this collection add a touch of coastal serenity to your table, where its soft grey hues and graceful forms will captivate and delight, creating a truly memorable dining experience.

DAKOTA BLACK

What's special about this Dakota range, is its matte black finish. The surface isn't entirely smooth, but has a pleasant, very fine grain. On top of that, the stoneware collection features a dynamic wavy relief pattern. Besides the usual plates, bowls and mugs, this extended range also has several jugs, storage jars, pepper and salt shakers and an oil bottle, allowing you to dress your entire table in the same style.

DIVINE

The Divine range embraces the beauty of imperfection. This collection explores a unique aesthetic where imperfection is turned into art, and where roughness and refinement merge. Each piece is imbued with character, with a rough feel and appearance on the inside. This is achieved through a reactive glaze, which creates a fascinating and unique effect. Fine lines and dots radiate outwards, like a big bang of whimsical energy that vibrates the centre of each piece.

FERVIDO

Delve into the robust charm of the Fervido collection, where sturdy plates meet tactile design. It's the vivid colors that captivate at first glance: an intense symphony of green, blue and yellow, each piece framed with a distinct 'burnt' border. While the three Fervido designs stand out each on their own, they also harmonize beautifully when brought together, creating a vibrant tableau on any table.

ACCESSORIES

Durable cutlery bins on the outdoor dining area provide a handy supply of knives, forks and spoons to avoid a lot of running around. In smoking areas or outdoor dining areas, place weatherproof ashtrays to give guests a place to dispose of their cigarette butts. Thoughtful placement ensures a tidy environment and a pleasant atmosphere for your establishment.

MOSCOW MULES

Differentiate your Moscow Mule presentation with glasses that bring an extra touch of sophistication and flair to this cocktail. Made from premium borosilicate glass, these glasses are not only lightweight and comfortable to hold but also offer exceptional durability and shatter resistance. Choose between a sleek, smooth finish or the classic hammered texture, each available in crystal clear glass or an intriguing 'smoky grey.' Cheers!

OMAGIO

The Omagio collection, made from heat- and scratch-resistant borosilicate glass, offers a seamless blend of form and function, ideal for restaurants seeking to make warm drinks part of the full dining experience for their guest. This versatile range includes both single-walled and double-walled glasses, with the latter designed to maintain beverage temperature thanks to the insulating air layer. Not only does this keep drinks like coffee hot for longer, but it also ensures the glass exterior remains cool. Conveniently, Omagio is both microwave and dishwasher safe, ensuring ease of use.

TEA

Cosy&Trendy's new cast iron teapots turn every cup of tea into a special feel-good moment. All teapots are pure Belgian design, but also bring to mind the ancient Japanese tea ceremonies. A cast iron teapot is extremely heat resistant and keeps your tea nice and hot for considerably longer. All models come with a convenient non-spill spout, a folding handle and a stainless steel strainer for loose leaf tea.

OLIVE WOOD

Introducing our collection of olive wood plates and dishes, where each piece tells a story of uniqueness. Their one-of-a-kind shapes are as individual as the olive trees they come from, bringing an authentic touch to your table. The striking appearance of olive wood, known for its durability and density, makes these items not only visually appealing but also ideal for presenting culinary creations. They're easy to maintain and add a rustic yet elegant charm to any restaurant setting. Due to their natural origins, the size, shape and compartment count may vary from those shown.

TAJINE

Experience the art of slow cooking with our tajine pots, perfect for tenderizing meats, fish and infusing vegetables with flavor. Tajines are the essence of healthy cuisine, requiring minimal to no fat and encouraging a slow dining experience, bringing the traditional Moroccan culinary artistry right to your kitchen. While they're oven-friendly, they appreciate a gentle approach to heat. The fireproof model is versatile across various heat sources, with the single exception of induction.
